

SULFATE-FREE MILD SURFACTANT PROVIDING LUXURIOUS FOAM

Concerned about using sulfates to provide the foam consumers desire?

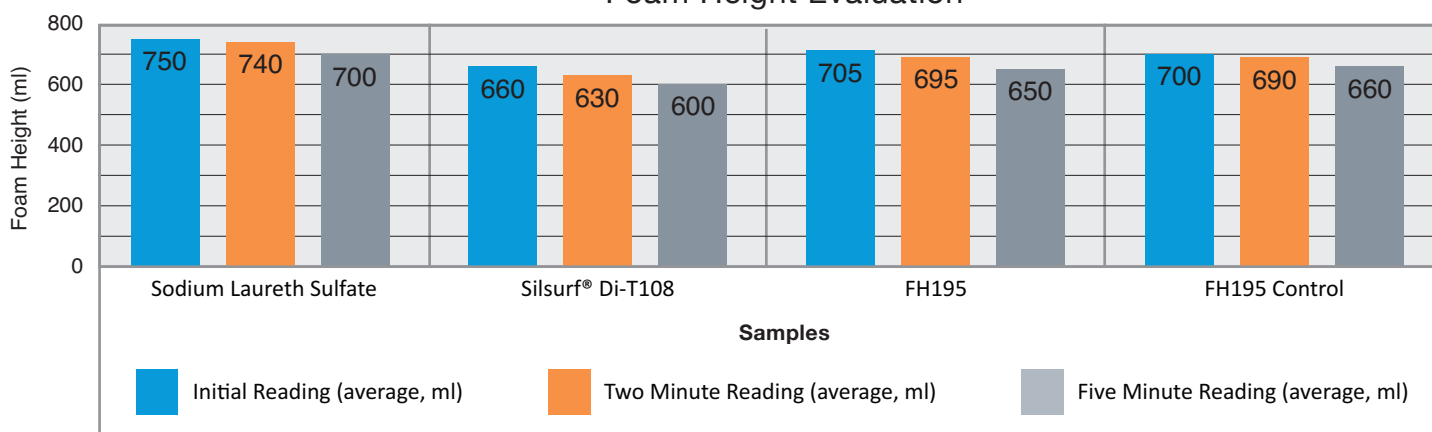

Take advantage of worry-free formulating with Silsurf® Di-T108. An innovative sulfate-free surfactant from Siltech.

- ✦ Water soluble
- ✦ Mild and non-irritating
- ✦ Renders detergency, foaming and conditioning
- ✦ High level of rich, uniform foam
- ✦ Cleansing properties similar to Sodium Laureth Sulfate (SLES)
- ✦ Usage level: 1-10%

IDEAL FOR SHAMPOO AND BODY WASH!

Foam Height Evaluation

5% loadings of Silsurf® Di-T108 and SLES were dosed into a clear shampoo formulation, FH195. Silsurf® Di-T108 provides foam height similar to SLES in the finished formulation.

PRODUCT	CHEMISTRY	INCI	PHYSICAL FORM, VISCOSITY
